

The Promised Land Protestant Community Church

was founded in order to minister to the local community
and the guests at Promised Land State Park.

Because we are a part-time church with no denominational affiliation,
we must depend on the donations of those who worship here
to maintain and beautify our sanctuary.

We are fortunate to have faithful supporters who have contributed
by mail to the General Fund, our Improvement Fund
and our Memorial Fund over the years.

We thank you for that support.

Memorials 2018

In 2018, we remembered those of our beloved Promised Land Church and community (that we knew of) who have passed from this life to be with our heavenly Father, within the past year. We give thanks to God for the life they shared with each of us and the peace they now share in God's Heavenly Kingdom.

Lois Hall, Gladys Laubach, Richard Naughton, Jim Putt, Joe Reed, Kenneth Shellhammer, Minhwa Ulrich, Joseph C. Younger, Floyd R. Zimmerman, Benjamin J. Lojek, and Howard Hyde

Recent improvements and future plans

As with all property owners there is always work that needs to be done...this was the first winter with the metal roof; ... last year we hot patched the many cracks in our driveway and near the foundation

... As with any aging property the need for attention is never ending. Some trees are past their prime and need removal, the basement floor needs to be resealed to prevent water seepage and the step at the main entrance needs replacement (which can be a major project)

... Fortunately, our yearly fundraisers net around \$3,000 which help but do not cover all the extra expenses ... we rely heavily on direct donations to pay the year around bills and special project needs

... YOUR CONTINUED SUPPORT is greatly needed and appreciated -----
