

# Owl Cupcakes

## Ingredients

### You will need:

- Baked cupcakes (cool completely before decorating)
- Chocolate frosting or ganache
- Oreo cookies
- M&M's, Reese's Pieces, or another brown candy
- Candy corn

## Instructions

### To Make:

1. Twist the Oreos in half, trying to get as much frosting as you can on one half. Set aside the frosting-free halves for another use.
2. Quickly place one M&M on each Oreo half for the pupils.
3. Frost the cupcake or dip the cupcake in ganache. Place the Oreo halves on the top of the cupcake.
4. Place a candy corn in between and under the eyes for the little beak.
5. Repeat with each cupcake.
